

Tallgrass Prairie Restoration in the 21st Century

September 13-14, 2012

The Morton Arboretum, Lisle, Illinois, USA

Save the date! In recognition of the 50th anniversary of the Schulenberg Prairie Restoration, The Morton Arboretum is convening a symposium on September 13-14, 2012 at The Morton Arboretum near Chicago, IL. This meeting will bring together leading researchers and practitioners to discuss the current state of prairie restoration knowledge, with a special focus on diversity and processes in prairie vegetation. On Sept 13th, the program includes a full day of talks while Sept 14th will be a day of field trips to notable regional prairies and prairie restorations. Visit www.mortonarb.org/tallgrass for more!
